ONE DAY TRAINING COURSES

MAVALA runs a series of one-day nail schools covering all aspects of nail care and colour at its international school in Sevenoaks, Kent.

Who are the courses for?

These are open to beauty therapists and MAVALA retailers looking to expand on their knowledge of nail care and non-therapists looking to learn new skills.

What will I learn?

Each session runs from 9:30 am to 5:00 pm* and includes light refreshments at lunchtime. Depending on the day chosen, you will learn about the structure of the nail, nail problems and how to treat them, basic manicure and pedicure techniques and advice on using your MAVALA knowledge to sell products.

At the end of the day, we hope you will have gained more knowledge about nail care and MAVALA products which can in turn be passed on to your customers.

To secure a place on one of our training courses, please complete the form below and return it to us with a £10.00 deposit for each session. This cost is redeemable against MAVALA product at the end of the day.

We hope you will be able to attend and look forward to welcoming you here.
